2022年1月24日～2月3日 3時限目・4時限目 オンライン同時双方向

### Introduction to Indonesia: Culture and Society

Indonesia is a large country with over 270 Million population sitting on Southeast Asian ring of fire. In addition to being identified as world's largest Muslim country, Indonesia ranked 10<sup>th</sup> in world's economy and is an example of a stable democracy in a highly diverse archipelago, a home for over 300 ethnic groups. This course offers introduction and online immersion to the diversity of Indonesian culture and society including its history, art, culture, and lifestyles. The course will combine lectures from multidisciplinary professors of Universitas Gadjah Mada, cultural practices and exchanges between Japanese and Indonesian university students using both English and Japanese.
